Teaching Beliefs:

Since every student has potential, it is our job as teachers to harness this potential as much as it is possible. We believe the best teachers are those who know their students and how they learn best. As educators we acknowledge, appreciate, and respect our students' differences. Our students' diverse intelligences, talents, skills, interests, and backgrounds enrich our school and our lives as teachers.

Our Vision:

Together we strive for opportunity and success and promote excellence in Learning and Teaching,

We aim to

- Create an engaging, motivating, and intellectually stimulating learning experience.
- Encourage the spirit of critical inquiry and creative innovation.
- Encourage students 'to have a go' and take risks.
- Be responsible of their own learning.
- Provide students with realistic but challenging goals and recognising the effort they put towards achieving these goals.

If you would like to meet outside these appointments, parents are welcome to organise child's teacher in the morning before assembly or after school.

School Uniform:

A uniform dress code reinforces in students a pride in their own appearance, instils recognition of themselves as an integral part of the college community, and assists in developing pride in representing their college. Issues of equality, health and safety are also factors that contribute to the establishment of the Uniform Policy.

- 1) It is compulsory for every student to have a minimum of 2 sets of college uniform, 1 jacket/blazer and 1 pair of sports uniform.
- 2) All uniform items are to be named, preferably on the tag.
