Teaching Beliefs:

Year 2 team believes that every student has potential. As teachers it is our job to harness this potential as much as it is possible. We believe the best teachers are those who know their students and how they learn best. As educators we acknowledge, appreciate, and respect our students' differences. Our students' diverse intelligences, talents, skills, interests, and backgrounds enrich our school and our lives as teachers.

We aim to;

- Create an engaging, motivating, and intellectually stimulating learning experience.

School Uniform:

A uniform dress code reinforces in students a pride in their own appearance, instils recognition of themselves as an integral part of the college community, and assists in developing pride in representing their college. Issues of equality, health and safety are also factors that contribute to the establishment of the Uniform Policy.

- 1) It is compulsory for every student to have a minimum of 2 sets of college uniform, 1 jacket/blazer and 1 pair of sports uniform.

Your child's progress is monitored during the year through formal and informal assessments. Teachers constantly assess and record the assessment to gauge their understanding and competency.

You will receive a detailed written report at the end of term two and term four. You will also receive an interim report at the end of term one and term three. In addition to the written reports, at end of term one, two and three you will have the opportunity to formally discuss your child's progress with his/her teachers.

Parental Involvement

It is crucial that the parents involve themselves in the upbringing (Tarbiyah) of their children.
